Ayn,
The RAs Fracking Weekly Update is at noon EST. I will see if it can be covered and will get back with you.

Folks, I hate to do this, but would it be possible to push this a half hour earlier? I will have to turn to a pre-brief for a Congressional briefing at 11:30 mountain time, so it would work better if we could start at 10:30 mountain time. Does that pose scheduling issues for people?
